### TASTING NOTES

This Rhone-style blend leads with bold notes of ripe plum, blueberries, and leather. The palate is delectably smooth, with suggestions of sweet cherry cola, dried cherries, tea leaves, and warm clove. This medium-bodied wine finishes elegantly, with lingering characters of hazelnut and roasted coffee beans that complement the precise tannin structure.

### SUGGESTED FOOD PAIRING

GSM blends call for full-flavored pairings, like dishes with fresh herbs like sage, rosemary, or crushed red pepper. Robust, fatty pairings like grilled ribeye or sausages are also a delicious choice.
