TASTING NOTES

This full-bodied, ruby-colored Cabernet is bright and fresh, with aromas of black cherry, raspberry jam, and red licorice framed by secondary notes of graphite and baking spices. Lush on the palate, with layers of violets, herbs, currants, and cherries. Drink now through 2030.

SUGGESTED FOOD PAIRING

We love the red fruit and edgy herbaceous nature of this delicious wine. Suggested pairings include pulled pork sliders or Carolina Barbecue. Cajun spices are a great match, and traditional beans and rice with collard greens make a delicious weeknight pairing.
