TASTING NOTES

Bright, clean and cheerful, this much anticipated 2021 release of our Sonoma Coast Sauvignon Blanc features aromatics of ripe pear, lemongrass and tropical fruit. medium-bodied, the palate expresses hints of grapefruit intertwined with melon and a subtle mineral quality. The finish lingers nicely with added layers of Mission fig and honeysuckle round out this crisp, aromatic wine.

SUGGESTED FOOD PAIRING

In Sonoma County, we love a fresh, tropical Sauvignon Blanc with fresh oysters or Ahi tuna tartare. The bright acidity and luscious fruit on this wine are a fabulous match for spicy Asian inspired salads and noodle dishes or garden vegetables.
