

All Meadowcroft Wines are signature reserve wines that are vineyard designated, using premium fruit from sustainable and responsible vineyards, including our own, from throughout Northern California.

The Meadowcroft family name means “the fertile field on the meadow...with a garden that has been carefully nurtured over time.” The hallmark “honeybee” on the label symbolizes the hard work, the journey of mastering a discipline, and the process of transforming grapes from single vineyards into outstanding and award-winning wines.

2010 MEADOWCROFT SONOMA ZINFANDEL

VINTAGE SUMMARY

This delicious Zinfandel was sourced from Speedy Creek Vineyards in the Knights Valley section of northeastern Sonoma County. The wine is aged for 14 to 18 months in a blend of American and Hungarian oak, 25% of which is new oak. The 2009 Meadowcroft Zinfandel garnered numerous gold medals and we expect this vintage to do just as well.

TASTING NOTES

Aromatics and flavors of ripe plums, dark cherries, currants and raspberry; with just a hint of cedar and black liquorish. Great length on the palate is coupled with smooth tannins.

TECHNICAL DATA

Appellation: Speedy Creek Vineyards, Knights Valley, Sonoma, California

Harvest date: October 21, 2010

Bottle date: June, 2012

Release date: September, 2012

Case production: 180 cases

Alcohol: 14.5%, pH 3.76

SERVING SUGGESTIONS

Pairs exceptionally well with grilled sausages, stuffed burgers with a Zinfandel sauce, braised lamb shank and rich pastas.
