

**MEADOWCROFT
WINES**

European heritage with California creativity.

Meadowcroft Wines are award winning, small production reserve wines from our estate vineyard on Mt. Veeder and select single vineyard bottling from Napa, Sonoma, and appellations in California.

2021 Cabernet Sauvignon

Nelson Ranch, Mendocino County

TASTING NOTES

Elegant and rich, this Cabernet Sauvignon leads with aromatic notes of vanilla, cigar box, and dark cherries. Sumptuous flavors of black cherry and blackberries are layered with bedrock flavors of rich coffee and pomegranate. This is sure to evolve beautifully in the bottle; best now through 2030.

SUGGESTED FOOD PAIRING

With its rich tannins and intense fruit flavors, this wine calls for food affinities that match its complexity and weight. Some of the recommended pairings for this wine include grilled steaks, roasted lamb, hearty stews, and aged cheeses. The wine's robustness can also handle spicy or smoky flavors, making it a perfect match for barbecued meats, bold sauces, and flavorful spices.
