

**MEADOWCROFT
WINES**

European heritage with California creativity.

Meadowcroft Wines are award winning, small production reserve wines from our estate vineyard on Mt. Veeder and select single vineyard bottling from Napa, Sonoma, and appellations in California.

20 Years Anniversary Cuvee

TASTING NOTES

This special production red blend celebrates 20 years with a blend of all five noble Bordeaux varietals with the addition of Touriga Nacional which was recently sanctioned for use in Bordeaux blends. This wine offers subtle nuanced aromas of berry compote, notes of black licorice, and hints of roasted meat. The tannins integrate seamlessly on the supple, smooth palate, showcasing flavors of espresso, graphite and brambly dark fruit, a jammy finish laced with allspice, graphite, and raspberry jam. Cellar recommendation: 2027-2035

SUGGESTED FOOD PAIRING

This elegant, complex Bordeaux red blend can pair nicely with leaner, more savory proteins like duck or pork. The gentle spice and acidity in this wine will stand up to tomatoes, spicy greens, and Italian-inspired dishes. The more youthful structure of this red is also always a reliable pairing with nice cuts of red meat.

APPELLATION:	California
