2021 Cabernet Sauvignon

Napa Valley

TASTING NOTES

A rich and compelling nose of blackberry, blueberries, sandalwood, and dried herbs is augmented by layers of plum and cherry, cocoa, and graphite. Bold and full-bodied, this wine is structured firmly around a solid core of rich fruit, licorice, and herbs. Supple, ripe tannins provide ample backbone. The mouth-feel is plush and unctuous while retaining stability and finesse. The finish is extended, with lingering flavors of caramel, sweet oak, and chocolate. Decant to open up the complexity.

SUGGESTED FOOD PAIRING

A quintessential Cabernet, this bold and structured wine is an effortless match with well-marbled beef and long-braised stews and sauces. Dishes with fresh herbs will marry nicely with the earthy notes, while the bold fruit will complement hard cheeses like Parmesan or Asiago. Jamon Reserva & dried fruits.
