2022 French Colombard

Sonoma Coast

TASTING NOTES

Thriving in the drier climates of California, French Colombard is a refreshing easy drinking white wine. The cool temperatures of the Russian River Valley provide this wine with lively acidity and lift. Aromas of navel orange, nectarine, honey and kumquat are followed by flavors of orange blossom, crisp green apple and honeydew melon.

SUGGESTED FOOD PAIRING

This wine will be sure to pair nicely with salads, fresh ceviche and sushi. The luscious fruit flavors will complement cheeses like gruyere, manchego or a dry jack cheese from California.
