

**MEADOWCROFT
WINES**

European heritage with California creativity.

Meadowcroft Wines are award winning, small production reserve wines from our estate vineyard on Mt. Veeder and select single vineyard bottling from Napa, Sonoma, and appellations in California.

NV Blanc de Blancs

Sonoma County

TASTING NOTES

Complex layers of Honeycrisp apple and pear mix with toasted brioche and honeycomb. A creamy and velvety palate shows stone fruits such as ripe nectarine with delicate floral notes finishing with bright acidity. Finishes with a clean crisp mouthfeel.

SUGGESTED FOOD PAIRING

The refreshing acidity and clean flavor make this wine work well with both savory dishes such as cured meats, aged cheeses, and shellfish, as well as sweet foods like creamy desserts and fruity tarts. It can also be paired with the flavors of spicy foods like curries or pad thai.
