*Stags Leap District, Napa Valley*

### TASTING NOTES

Intense and full bodied, the 2020 Stags Leap Cabernet Sauvignon exhibits lush aromatics of toasted oak, black currants, and ripe blueberry. This is followed by flavors of tart cherry, vanilla, sweet toasted oak and tobacco.

### SUGGESTED FOOD PAIRING

While meat dishes are a common pairing choice, vegetarians can also enjoy the complex flavors of this wine. Perfect food affinities for meat lovers can range from a juicy steak to grilled lamb chops or even roasted duck. On the vegetarian side, hearty dishes such as mushroom risotto or roasted root vegetables can complement this wine's boldness.
