

**MEADOWCROFT  
WINES**

European heritage with California creativity.

*Meadowcroft Wines are award winning, small production reserve wines from our estate vineyard on Mt. Veeder and select single vineyard bottling from Napa, Sonoma, and appellations in California.*

## 2023 Pinot Noir

*Anderson Valley*

### TASTING NOTES

Anderson Valley is famous for its beautifully aromatic Pinot Noirs, and our 2023 vintage Pinot does not disappoint. Aromas of cherry cordial, vanilla, Amarena cherry and notes of rose petal flow from the glass. Layered complex flavors of sweet cranberry, tart cherry and wild strawberry. This wine exhibits a vibrant acidity and a silky mouthfeel. Drinking Window: 1-6 years

### SUGGESTED FOOD PAIRING

The concentrated richness and exceptional acidity make this wine exceptionally food friendly. Mushroom dishes are a natural match. Other favorites include cedar plank grilled salmon, roast lamb or duck. Our cheese recommendations would include smooth triple creme cheeses or aged and salty cheeses like Gouda or sharp cheddar.
