

**MEADOWCROFT
WINES**

European heritage with California creativity.

Meadowcroft Wines are award winning, small production reserve wines from our estate vineyard on Mt. Veeder and select single vineyard bottling from Napa, Sonoma, and appellations in California.

2020 Cabernet Sauvignon

Howell Mountain, Napa Valley

First planted in the 1800's, the Howell Mountain AVA sits on the east side of the Napa Valley and begins above the fogline at 1400 feet above sea level. The volcanic soils and long warm days with little to no marine influence create conditions that provide world-class Cabernet Sauvignon fruit.

TASTING NOTES

Aromas of ripe blackberry bramble, toasty oak, dark cherry and notes of vanilla, baking spice and fig fill the glass. Vibrant acidity on the palate adds to the balanced mouthfeel of the wine. Flavors of ripe black cherry, blackberry, blueberry and black tea round out the lengthy smooth finish. Drink now through 2040.

SUGGESTED FOOD PAIRING

The concentrated richness and notable acidity make this wine a remarkable partner with food. We recommend hearty strong dishes like steak au poivre, grilled portobello mushrooms or rack of lamb with herbs. This wine will easily hold up to flavorful cheeses such as aged Gorgonzola, aged sharp cheddar or aged Parmigiano Reggiano.

APPELLATION:	Howell Mountain, Napa Valley
VARIETAL:	Cabernet Sauvignon
HARVESTED:	September 2020
BOTTLED:	April 2024
PRODUCTION:	82 cases
ALCOHOL:	14.5
pH:	3.60
