2023 Pinot Blanc

Rivino Vineyard, Mendocino County

TASTING NOTES

Fresh from start to finish, this ever interesting wine begs to be paired with food. Upfront, aromas of mango, crisp apple and tropical notes are accented by subtle notes of bubblegum. On the palate the wine expresses flavors of ripe pear, baked apple and nectar. A medium to full-bodied white wine with a rich round mouthfeel and balanced acidity.

SUGGESTED FOOD PAIRING

Our Pinot Blanc calls out for fresh oysters or steamed mussels. Or, try with a recent favorite - fresh fettucine with lemon cream sauce. Extremely versatile and crowd-pleasing, this varietal would be perfect for both brunch and lunch fare.
