2020 Let It Bee

White Port Style Wine

TASTING NOTES

Aromas of honey, baked apple melon and fresh baked pineapple upside down cake. Layered flavors of caramel, pear tart, vanilla with subtle tropical notes. The rich luscious texture of the wine is nicely balanced on the palate with pronounced acidity brightening the mouthfeel.

SUGGESTED FOOD PAIRING

This dessert wine boasts a surprising versatility when it comes to food pairings. Its balanced sweetness and acidity make it an exceptional match for savory dishes like roast chicken, foie gras, aged prosciutto, and shellfish. Cheese lovers will find it pairs beautifully with options such as Roquefort, fresh Chèvre, and creamy Brie. For those with a sweet tooth, it complements fresh, sliced stone fruits, strawberries and cream, or caramelized fruit tarts.
