2021 Zinfandel

Sonoma County

TASTING NOTES

Meadowcroft's 2021 Sonoma County Zinfandel is rich, layered, and full of character. Aromas of blackberry bramble, plum, and cigar box rise from the glass, accented by hints of toasty oak and tobacco. The first sip delivers juicy flavors of black raspberry and ripe blackberry, followed by a touch of cracked pepper and spice. A smooth, rounded mouthfeel and gentle tannins make this wine approachable yet structured, with a lingering finish that brings black pepper and dark fruit back into focus. Enjoy now or let it evolve gracefully through 2032.

SUGGESTED FOOD PAIRING

This Zinfandel is made for bold, flavorful fare. Try it alongside grilled pork chops, barbecue ribs, or anything with a smoky glaze or stone fruit salsa. Its balance of spice, fruit, and savory notes makes it a perfect companion to dishes that have a little heat and a hint of sweetness.
