2024 Sauvignon Blanc

Sonoma Coast

TASTING NOTES

This wine opens with a vibrant bouquet of nectarine, lime, and kiwi, intertwined with delicate jasmine blossom. On the palate, it reveals refreshing flavors of key lime pie, ripe stonefruit, and juicy white peach, with hints of tropical fruit adding a touch of complexity. The crisp, cleansing mouthfeel and bright acidity provide a refreshing lift, leading to a clean, zesty finish.

SUGGESTED FOOD PAIRING

The lively acidity and fruit-forward profile of this wine make it an ideal companion for a variety of dishes. It pairs beautifully with fresh chèvre, oysters on the half shell, or seafood ceviche. Dishes featuring bright herbs like tarragon or mint will highlight the wine's fresh character, while its crispness also makes it a perfect apéritif, served chilled on its own.
