2023 Cabernet Sauvignon

Oakville, Napa Valley

At the heart of Napa Valley, Oakville is celebrated for producing some of the world's most powerful and structured Cabernet Sauvignons. Its well-drained soils and warm climate yield wines of richness, depth, and long-lived character.

TASTING NOTES

The 2023 Meadowcroft Oakville Cabernet Sauvignon offers aromas of sweet toasty oak, blueberry, black cherry, and pomegranate. On the palate, dark brambly fruit unfolds with layers of boysenberry and blackberry, accented by notes of pepper and cinnamon. A velvety smooth mouthfeel carries through to a lingering, refined finish that captures Oakville's signature power and elegance.

SUGGESTED FOOD PAIRING

This Cabernet is an ideal companion for bold, savory dishes such as grilled ribeye, braised short ribs, or rosemary-garlic lamb chops. For a vegetarian pairing, try mushroom risotto or roasted eggplant with herbs. Its spice-laced richness also pairs beautifully with aged cheeses like Gouda or with dark chocolate desserts.
