2024 Cabernet Sauvignon

Napa Valley

TASTING NOTES

Cabernet Sauvignon thrives in Napa Valley's diverse microclimates, where warm days and cool evenings allow for optimal ripening and structure development. The 2024 vintage opens with expressive aromas of Amarena cherry, black plum, and hints of white pepper. The palate is layered with dark, concentrated flavors of black cherry, blackberry, and blueberry, complemented by subtle mineral notes. Firm tannins and pronounced acidity provide structure, balance, and age-worthy depth.

SUGGESTED FOOD PAIRING

This structured Cabernet pairs beautifully with grilled ribeye, braised short ribs, or lamb with rosemary. It also complements aged cheeses, mushroom dishes, and rich, savory preparations, making it an excellent choice for hearty meals and special occasions.
