

**MEADOWCROFT
WINES**

European heritage with California creativity.

Meadowcroft Wines are award winning, small production reserve wines from our estate vineyard on Mt. Veeder and select single vineyard bottling from Napa, Sonoma, and appellations in California.

2025 Sauvignon Blanc

Sonoma Coast

TASTING NOTES

Bright, flinty and crisp, this nose leads with notes of fresh grapefruit, honey, and aromatic lemongrass. With a balanced palate that expresses flavors of grapefruit, key lime and brine, this complex wine has a lengthy, lush and fruity finish.

SUGGESTED FOOD PAIRING

The bright acidity and tropical citrus character of this Sauvignon Blanc pair beautifully with fresh and flavorful cuisine. Enjoy it alongside grilled shrimp tacos with mango salsa, goat cheese crostini with honey, or citrus-marinated chicken with fresh herbs. It also complements summer salads, sushi rolls, oysters on the half shell, or simply enjoyed chilled on its own as a refreshing apéritif.
