2024 Cabernet Sauvignon

Sonoma County

TASTING NOTES

Sonoma County's diverse microclimates and varied terrain provide excellent growing conditions for Cabernet Sauvignon, producing wines with rich fruit character, depth, and complexity. The 2024 vintage opens with inviting aromas of blackberry bramble, berry cobbler, baking spice, and dark cherry, accented by subtle notes of black olive. The palate reveals concentrated flavors of ripe black fruit, black cherry, and brown sugar, complemented by hints of coffee and white pepper. Velvety tannins and a rich, rounded mouthfeel lead to a smooth, lingering finish. This beautifully structured Cabernet Sauvignon will continue to evolve and develop additional complexity over the next 3–5 years.

SUGGESTED FOOD PAIRING

This rich, full-bodied Cabernet Sauvignon pairs beautifully with grilled ribeye, slow-braised short ribs, or rosemary-crusted rack of lamb. Its dark fruit character and savory undertones also complement wild mushroom risotto, smoked brisket, and roasted vegetables with fresh herbs. For a more casual pairing, enjoy it with aged cheddar, smoked Gouda, or a hearty artisan burger topped with caramelized onions.
